Dear Mr Søråas,

This information cannot be found online.  
Normally Southpole could see which CERs they cancel during the transaction. The pdf confirmation is generated automatically and does not contain the project number.

Corresponding to your pdf confirmation, we can confirm that the following 100 CERs were cancelled for you:

**IN-05-00-15320024-15320123-01-01-000-0000298--** 15.02.2008 17:10:54 100

The project ID is 298. More information for this project can be found on <http://cdm.unfccc.int/Projects/DB/DNV-CUK1141812568.71/view>, the website of the UNFCCC.

Hope this helps.

Kind regards,
